

ADDENDUM #1

RFQ 26-009

PROJECT ENGINEERING

This addendum is being issued on RFQ 26-009 to provide more information:

Question: If known, when is this project expected to go to bid for contractors, and what is the expected start date for construction?

Answer: It is currently unknown; first, a preliminary engineering report must be prepared for use in an application for funding to the Appalachian Regional Commission.

This addendum should be signed and returned with your proposal. Failure to do so may result in the proposal being non-responsive.
