Temporary Electrical Power is Requested for Construction and Startup of Equipment and Building System Testing

1. The General Contractor and the Electrical hereby assume all responsibility for any use of electrical power at this building site until the project has received its Certificate of Occupancy.
2. This Temporary Conditional Electric Service is being granted as a convenience for the Contractor/Permit Holder. Violation, such as any unapproved occupancy or use of power for other purposes than being requested, will be considered sufficient cause for the power to be terminated, as well as denial of future requests for Temporary Power by the Contractor/Permit Holder. The City of Tucker also reserves the right to have the temporary power removed at any time it feels that the safety of workers or any other persons may be in danger due to the Temporary Electrical Power.

Note: Only the Property Owner, Architect, Engineer, or General Contractor should sign this application.

EXCEPTION: An Authorized Agent may also sign, when an Authorized Permit Agent Form is completed on behalf of a State of Georgia licensed contractor. Before signing, please carefully read the statements below.

I do solemnly swear that the information on this application is true, and that no false or misleading statement is submitted herein to obtain a Building Permit or Certificate of Occupancy. I understand that if I provide false or misleading information in this application I may be subject to criminal prosecution and/or immediate revocation of any Building Permit or Certificate of Occupancy issued as a result of this application. I understand that I must comply with all City ordinances and regulations. I hereby agree to provide any clearance(s) and/or inspection report(s) required prior to the issuance of a Building Permit or Certificate of Occupancy.

I agree to exonerate, indemnify and save harmless the City from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation, and actions, based upon or arising out of damage or injury (including death) to persons or property caused by or sustained in connection with any work performed under the Building Permit issued as a result of this application.

COMMERCE BUILDING FEES

Calculating Building Valuation	Unless otherwise stated, the valuation of new commercial or industrial construction will be based on the actual contract cost of the work, or calculated by using the latest construction cost data as published in the Building Safety Journal by the International Code Council (ICC). For interior completion only, the construction cost is valued at fifty percent (50%) of the calculated ICC building valuation.
Fee Payment	Fees are collected prior to issuance of permits.

Plan Review Fees	New single-family residential review	Additional 50% of permit fee
	Residential renovations/additions	Additional 50% of permit fee
	All commercial/industrial individual plan reviews	Additional 50% of permit fee

Residential Building	Heated square feet	\$0.20
	Unheated square feet	\$0.12
